

EDEN

HIGH-STACKING
LINKING

Zip

Versatile modern
community seating.

Zip is a linkable stacking
chair with a slimline
modern aesthetic.

It features a rod sled frame with discrete
linking feet. The backrest and seat are
generously sized and upholstered in a
smart polyester fabric.

Zip is designed for the community. When
linked, it forms a sturdy compact row of
seats for waiting and auditorium spaces.
It stacks up to 20 high on a trolley for
ease of storage and transport.

- Upholstered seat and back
- Sturdy rod sled frame
- Linking feet
- Stacks 20 high on a trolley

Take a seat.

Eden – the home of everything seating. We're commercial seating specialists with solutions for all your working, learning, and community spaces.

As manufacturers, importers, collaborators, and solution providers, we partner with designers and furniture resellers to bring you quality sustainable seating.

We stock a large range of versatile seating options which we upholster and assemble to order, tailoring to suit your needs.

At Eden we're aware of the environmental impact of every seating product. We're committed to carbon footprint minimisation, waste reduction and sustainable material use. With extensive warranties, low sit-print products, and smart manufacture, we help you sit responsibly.

Our trusted product, extensive range, and exceptional customer commitment have made us New Zealand's leading seating supplier.

Eden is certified to ISO 9001 for Quality Management, ISO 14001 for Environmental Management, and ISO 45001 for Health and Safety Management.
